BIBLE TRIVIA RULES

A Bible Trivia Team should consist of 2 contestants. Players will have 30 seconds to discuss and collaborate their answer. They will then write their answer on a white board. Correct spelling is not required as long as the word is recognizable.

Questions will be in a variety of formats including multiple choice, true/false, fill-in-the-blank, estimate or short answer.

Players will not be asked to quote specific verses, but rather questions about the Bible history, geography, characters, timelines, events, etc.

All contestants will participate in a match consisting of 20 questions. One point will be awarded per correct answer. If a tie occurs for 1st, 2nd or 3rd place, there will be one additional question asked to break each tie. Tie-breaker questions will be numerical questions with the team closest to the correct answer being the winner.
