GENERAL GUIDELINES FOR ALL ATHLETIC COMPETITIONS

All students entering athletic events MUST enter at least two (2) other non-athletic events.

Implementing a sports program can be of tremendous benefit to the Christian school. Godly coaches can use sports to teach character and self-control. Sports can also be used as an instrument to create and promote school spirit.

On the other hand, a sports program has the potential of becoming an end in and of itself. Students and staff who hold sports above all else do themselves a disservice and do not honor the Lord. Schools that enter competition solely to compete in sports are missing a tremendous opportunity for their students to broaden their talents and abilities in other areas.

EXCEL Convention may refuse to accept teams or individuals:

1. Who are only interested in sports competition.
2. Whose coaches or players have demonstrated disrespect for officials and/or other teams and coaches.
3. Who have repeatedly displayed a negative attitude.

Schools desiring to enter any athletic competition must agree to abide by the rules as outlined in these Guidelines.

6. In all field events, it is the contestant's responsibility to check in with the Chief Judge before competition begins.
7. Any contestant performing in both field events and running events must immediately report to the starting place for his race when his running event is announced. However, he must tell the field event Chief Judge of his whereabouts and report back to the same judge when his running event is completed; each contestant shall resume field competition where he left off.

8. Qualifiers for the final heats will be the eight contestants or teams with the fastest qualifying times. Eight contestants qualify for fastest times for the 1600-Meter Run. NOTE: where lanes permit.
9. A heat shall consist of up to eight runners, with each man assigned his own lane.
10. Winners of heats shall be placed in lanes accordingly:

13. All field measurements are to be recorded to the nearest 1/4 inch except in the High Jump where the measurements will be recorded, by the judges, to the nearest 1/2 inch. Times are to be recorded to the nearest 1/10 second.

15. In all events that involve measuring (except the High Jump), ties by identical measurements shall be separated by the second best performance of the tying contestants. If a tie still exists, it shall be decided by the third performance.
